During Holy Mass at 12pm on October 22nd 2022, Bishop Mark Davies will officially celebrate the beginning of this new mission for the beautiful church of St Joseph. In addition to its traditional role as a town centre parish, the church will now be entrusted with the task of praying perpetually before the Lord in His Sacrament of Love for an abundance of holy vocations to the priesthood, as well as for the sanctification of all of our priests.

In order to have prolonged exposition of the Blessed Sacrament we need to first find a sufficient number of adorers. Until such time as we have enough people who are willing to keep watch before the Lord, we will only be able to have a limited daily schedule of Eucharistic Adoration.

If you would be willing to commit to spending one hour per week with Jesus please email us at: stockportshrine@gmail.com.

St Joseph's is also in great need of financial assistance. As can be observed when one visits the church, there is a lot of work which needs to be done quite urgently.
