

PRAYER & LIFE WORKSHOPS

Prayer & Life Workshops is a service to the Church led by prayer guides and devised by Fr Ignacio Larranaga a Spanish Capuchin priest. It has reached all five continents and is coming to St Mary's Catholic Church Crewe.

Through Prayer & Life Workshops, you will:

Learn and practice a variety of ways of praying

Become more familiar with the Word of God as a source of a living dialogue with the Lord

Be challenged to live like Christ, seeking to do as the Lord would do in your place

Become more fully the living presence of Christ
