SURVIVOR ENGAGEMENT SURVEY

The Diocese of Shrewsbury is working with the Catholic Safeguarding Standards Agency (CSSA) on a thematic audit of 'Survivor Engagement'.

This important survey seeks to understand how the Catholic Church listens to and supports victims and survivors of abuse. The process is being carried out with transparency, respect, and a survivor-centred approach.

Your participation will help ensure that many voices are heard, enabling us to highlight good practice and identify areas for improvement across the Church.

Deadline October 10th 2025
