

Confraternity of the Holy Face

Carmelite Monastery Birkenhead

The Holy Face Confraternity

is dedicated to fighting against communism and atheism. This devotion is rooted in the belief, that the Holy Face of Jesus is a powerful symbol of Reparation for blasphemy against God, profanation of Sundays, Holy Days, and atheism. The Confraternity's mission is to make Reparation for these offenses.

Jesus said:

‘...we render Him (Christ), the same service as did the pious Veronica...’
when we pray the prayers of this Devotion.
